Guarantee

(Endorsed by American Shorthorn Breeders' Association)

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.
 2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age. In case of failure to be a breeder notice shall be given to seller by the time bull is twenty months of age or within six months of date of purchase.
 3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers, sold as single lot guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.
 4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute or seller. Salvage to go to the seller. It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.
 5. All animals are sold subject to a sixty-day retest for tuberculosis or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputized by State veterinarian, who is co-operating with Federal veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.
 6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.
 7. **TERMS:** Cash unless other arrangements before date of sale. The above guarantee and terms constitute a contract between the buyer and seller of each lot. The individual designated as Sale Manager assumes no liability, legal or otherwise.
HEALTH—All cattle have been tuberculin tested and blood tested for Bang's Disease. A 60-day tuberculin retest is allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go.

Announcement

This offering of 40 lots has been drawn from the herds of Haylands Farms and Jos. Miller's Sons, two establishments that have gained great fame through the production of noted show yard winners. A fortunate chain of circumstances is responsible for the joining of these forces in providing this offering. Five years ago, when the owners of Haylands Farm were seeking a thoroughly capable man for the important position of herdsman, they were fortunate in being able to hire Mr. Alfred Miller, a member of the famous firm of Jos. Miller's Sons, Granger, Mo. Mr. Miller retained his interest in the cattle on his home farm and continued to breed choice specimens while directing the pure bred herd at Haylands. The surplus from each farm is listed in this catalog and will be sold at auction at Haylands Farms on September 26th.

This is an offering which represents especially strong bloodlines. The twenty-five head offered by Haylands Farm represent a combination of the blood of Imp. Cudham Dreadnaught, the International grand champion Loyal Browndale and the twice International grand champion Divide Sensation, three sires that have made Haylands Farms famous in the production of improved Shorthorns. Haylands have included in this offering their entire 1935 show herd with the exception of their herd bull.

The fourteen head consigned by Alf Miller represent a strong combination of the blood of Cumberland Matadore, the International grand champion Oakdale Stanmore and the other great Cumberland bulls that have made show ring fame for Jos. Miller's Sons. The entire offering is made up of members of the choicest Scotch tribes. One extra good bull is being consigned by H. B. DuPlan from his Pine Grove Herd at Crown Point, Indiana.

A wonderfully profitable business is in store for those breeders who maintain their herds on a high quality basis during coming years. Those who will reap greatest profits are the breeders who improve their herd bull strength and who take advantage of every opportunity to add richly bred females of choice type and quality to their permanent herds. To those who are anxious to accomplish such aims at lowest cost, I urge purchases at the earliest opportunity and I do not hesitate in the assertion that such herd bulls and such females are available in this sale.—Hal Longley of The Shorthorn World.

DIVIDE SENSATION, twice an International grand champion whose service at Haylands Farm resulted in many superior individuals listed in this sale.

The following 25 pedigrees
comprise the consignment from

Haylands Farm

and represent a strong combination of the blood of **Whitehall Sultan**, **Imp. Cudham Dreadnaught** and **Browndale Count**. The entire 1935 show herd, with the exception of the herd bull, is listed for sale in this catalog.
